

Aad & Duber Forts (Nasik) 13 July 2025

Fort Height : 2600 ft.

Grade – Easy - Moderate

Aad fort is a very small fort mainly used as watch tower to guard trade route between Sinnar and Igatpuri. It offers a beautiful view of Patta, Aundha, Duber and Songad. There are 3 water tanks on the plateau. Cave can be approached via staircase. Duber Fort was also used as watch tower to guard Sinnar city. It was birth place of first Bajirao peshwa. It offers a beautiful view of Patta, Aundha and Aad fort.
