

TADOBA NATIONAL PARK
Jungle Safari (2N 3D)
26-28 April 2024

TADOBA is located in Chandrapur district - Vidharbha region. It is also one of the India's 28 Projects for Tiger Reserve. Tadoba Andhari has spread over into an area of 508 sq. km. This includes a lake and is the main water source for wild life throughout the year.

Tadoba National Park is Heaven for Wild life lovers which is also known as the 'Jewel of Vidarbha'. Tadoba name was derived from Gond tribe's local deity 'Taru', who was killed in an epic fight with a tiger. It is consisting two forest rectangles of the Tadoba and Andhari Range. It has wildlife such as Tigers, Leopards, Sloth Bears, Gaur, Wild Dogs, Hyenas, Civet and many species of deer like Sambar, Cheetal, Nilgai, and Barking Deer. Lake is the main attractions of the park, as it is natural habitat of Marsh Crocodile and many water birds like Cattle Egrets, Purple Moorhens and Jacanas.
